KMFRA RESPONSE TO SIR KEN KNIGHT'S REPORT 'FACING THE FUTURE'

Thank you for your letter of 20 August in relation to Sir Ken Knight's review of efficiencies and operations in fire and rescue authorities in England, *Facing the Future*.

I was glad to receive your feedback to the review and that you have had a discussion with your fire and rescue authority members about the steps Kent has taken to modernise and adapt. Your letter raised many pertinent points for consideration as we prepare the Government's response to the report. That response will be published later this year; I thank you again for taking the time to make your contribution to this important debate.
