### IMPORTANT

It is a criminal offence to fail to notify the Monitoring Officer of any Disclosable Pecuniary Interests (DPIs). This requirement arises in each of the following circumstances:

- (a) before the end of 28 days beginning with the day on which you become a member or co-opted member of the authority (*s.30(1) Localism Act 2011*);
- (b) where the DPI is not entered in the authority's register and is not the subject of a pending notification, but is disclosed at a meeting of the authority (or any committee, sub-committee, joint committee or joint sub-committee) as required by s.31(2) of the Localism Act, within 28 days beginning with the date of the disclosure (*s.31(3) Localism Act 2011*);
- (c) where the DPI is not entered in the authority's register and is not the subject of a pending notification, within 28 days beginning with the date when you become aware that you have a DPI in any matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the authority (*s.31(7) Localism Act 2011*).

<sup>6</sup> "Securities" means shares, debentures, debenture stock, loan stock, bonds, units of a collective investment scheme within the meaning of the Financial Services and Markets Act 2000 and other securities of any description, other than money deposited with a building society.

It is also a criminal offence to knowingly provide information that is false or misleading (or being reckless as to whether the information is true and not misleading)

In addition to the above, the Kent County Council and the Kent and Medway Fire and Rescue Authority have both adopted a Code of Conduct for Members which requires you to notify the Monitoring Officer of any DPIs before the end of 28 days beginning with the day on which the Code takes effect. Failure to comply with this requirement would not of itself be a criminal offence but could render you liable to action being taken against you under the Code.

To the best of my knowledge, the information given in this form is complete and correct.

6. You do also need to record any transactions between yourself or a related party and any "organisation in which the Council has a substantial interest" – this includes companies, charities, partnerships and joint committees which are under the control of the Council or in which it has a substantial number of votes or has significant financial influence. You need to include all remuneration and benefits-in-kind, as defined for tax purposes.

7. You must complete and sign the declaration form to state either that there are no related party transactions of which you are aware or to give what details you have of transactions you think may fall within the definition. KCC finance officers will then check this information against our accounting records. You will be told if any information is to be included in the published accounts.
